DIY THE MINI BUCK WAY

The perfect way to keep the drinks flowing!

The ultimate hospitality package. You choose a keg (or two) of either Beer, Cider (normal or fruit), Wine (rosé, red or white) or Fizz which is then tapped up onto the Mini Buck, and available for guests to replenish their glasses from, until after the meal.

This is ordered through Browsholme and can be done in your planning meetings or via us here. Please note, The Mini Buck is an optional addition to Browsholme's drinks package you have been quoted.

Currently we are working off the following pricing:

- £500 for Beer/Cider (approx. 52 Pints)
- £750 for Frizzante or Wine (approx. 150 Glasses)
- Mix and Match from £850 (i.e. 1 Beer and 1 Cider Tap) or £950 (1 Beer & 1 Fizz tap)

We'd be quite happy to discuss adding extra bottles of beer like Estrella/Peroni to be served from the Ape alongside side say, the Fizz on tap.

Buon APetito!
